

**2016 Low Volume Roads**

<b>Municipality</b>	<b>Road Name</b>	<b>Grant Allocation*</b>	<b>Watershed</b>	<b>Environmentally Sensitive Maintenance Practices Installed</b>
Loyalhanna Township	Blasco Road	** \$6,486.00	Conemaugh River	Replace failing crosspipes that has caused flooding issues to the road.
Mt. Pleasant Townshsip	Slope Hill Road	\$1,822.75	Jacobs Creek	Stabilized approximately 80 feet of streambank to protect road integrity from eroding stream.
City of Lower Burrell	Edgecliff Extension	\$4,076.64	Allegheny River	Installed underdrain and replaced an existing crosspipe. Added infiltration areas and rip rap to slow water velocities.
Donegal Township	Harr Road	\$6,411.10	Loyalhanna Creek	Installed additional crosspipes to breakup the velocity of water within the roads ditches, thus decreasing eroding ditches.
Fairfield Township	Hartman Road	**\$145,000.00	Conemaugh River	Worked off ROW to install conveyor belt diversions. Replaced crosspipes, installed underdrain, and full depth reclamation to road surface.
Manor Borough	Harding Street	\$6,679	Turtle Creek	Worked off Right - of - way. Grade break was installed to divert water away from driveway and aggregate was added to created a good road base.
North Irwin Borough	Can Factory	\$14,411.70	Turtle Creek	Installed a grade break and DSA. An Asphalt paved gutter was installed to reduce washout of DSA and debris accumulation at inlet from stormwater runoff.
Rostraver Township	Orr Road	**\$59,039.00	Youghiogheny River	Stream crossing replacement, installed additional crosspipes and stabilized streambanks to protect the roads embankment.
Upper Burrell Township	Whitten Hollow Road	\$16,100	Pucketa Creek	Installation of multiple shallow High Density Polyethylene (HDPE) crosspipes. This type of pipe is stronger than traditional smooth wall pipe and works great where pipe cover is a concern.
	<b>Total:</b>	<b>\$260,026.19</b>		

**2016 Dirt and Gravel Roads**

<b>Municipality</b>	<b>Road Name</b>	<b>Grant Allocation*</b>	<b>Watershed</b>	<b>Environmentally Sensitive Maintence Practices Installed.</b>
Fairfield Township	Wineland Road	\$34,252.30	Loyalhanna Creek	Additional crosspipes installed, raise road profile, and DSA.
Ligonier Township	Red Arrow	\$10,857.03	Loyalhanna Creek	Phase 2: DSA
Loyalhanna Township	Weimer Nursery Road	**\$12,045.50	Conemaugh River	Installation of crosspipes and grade breaks.
Mt. Pleasant Township	Misty Meadow Rd	\$26,951.95	Jacobs Creek	Phase 2: DSA
	<b>Total:</b>	<b>\$ 84,106.78</b>		

\* Grant allocation does not include in-kind contributions or total project costs.

\*\* Project extended to 2017.
