

# DIRT, GRAVEL, & LOW VOLUME ROADS

## Environmentally Sensitive Maintenance Refresher

Do you participate in the  
DGLVR Program?

Westmoreland Conservation District is hosting a free refresher for the municipal road crews that are installing environmentally sensitive maintenance practices. This course will not replace the two day ESM course presented by the State Conservation Commission and Center for Dirt and Gravel Roads Studies.

Extra points are available during the grant application ranking process for those municipalities that attend this refresher!

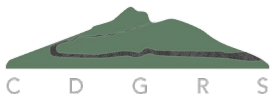

Friday, April 25th  
9:00AM - 12:00PM

**Lunch  
Provided!**
