

WE ARE HIRING!

AmeriCorps Member

Job Highlights:

The Westmoreland Conservation District is seeking applicants for an AmeriCorps environmental stewardship position that focuses on watershed protection, erosion control, and stormwater management throughout Westmoreland County. This member will support projects that improve water quality, enhance outdoor recreational opportunities, and assist grassroots non-profit organizations that promote environmental stewardship. You will gain valuable experience, knowledge, and connections that can open new doors for your future in the environmental field.

Compensation:

One 1700 hour position available. The service term is September 2026 through August 2027. Member will typically work our regular hours which is Monday-Friday from 8 AM-4 PM. Bi-weekly stipend (\$955) and an education award (upon completion of 1700 hours). Visit <https://www.pmsc.org/> for more information.

Requirements:

- Bachelor's Degree in natural resources or related field
