Support the Five Star Trail

The Five Star Trail connects the communities of The City of Greensburg, Southwest Greensburg, South Greensburg, Hempfield Township and Youngwood. This trail is a unique because it is one of Pennsylvania's few "rail-with-trails", a trail adjacent to, or within an active railroad corridor.

Every day, spring, summer, fall and winter, people enjoy using this important recreational resource on a daily basis. The Five Star Trail also attracts users from far and wide, making it a fun tourism destination.

The trail is managed and maintained by volunteers with the support of its members, partners, donors and sponsors.

Participation

This is not a race. You can choose a 12 mile bicycle ride OR a 4 mile walk/jog. The starting and ending point will be Lynch Field in The City of Greensburg. You can also adjust the distance you go according to your needs.

Each participant will stop at five check points along the Five Star Trail and choose a playing card from the deck. At the end of the event, each participant will have a complete poker hand. The best hands will receive a trophy and prizes.

Registration

Pre-register with this form for a discount rate of \$25 each OR register on site at Lynch Field the day of the event at \$30 each. All those registered will receive a 2026 T-Shirt.
